Access to Buildings

The superintendent/designee will control access to buildings as is appropriate and necessary to protect property, students and personnel.

Principals will control access to their buildings and will provide safeguards against unauthorized access to these buildings. Each principal, with approval of the superintendent/designee will develop regulations designed to control the use of buildings keys and to ensure that buildings are adequately closed and locked when no authorized personnel are present. Staff or students who fail to obey such regulations may be disciplined, suspended or dismissed.
