

**Saint Helens  
School District 502**

Code: **IGAL**  
Adopted: 5/24/10

**Optional All Day Kindergarten**

The district recognizes that in addition to the district paid half-day kindergarten program, a full-day fee-based experience may be offered if an adequate number of parents elect to pay tuition for the “extra” one-half day. This additional option provides more time to extend the current kindergarten program for students who are ready for an all-day experience.

A limited number of partial and full scholarships (tuition assistance) are available for families who qualify for free and reduced lunches, annually, on an as available basis.

The superintendent will develop administrative regulations for this program.
