**Graduation Exercises**

Because the Board believes that completion of the requirements for a diploma, a modified diploma, extended diploma or alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by the district on the date selected by the Board of Education. All students in good standing as certified by the principal and who have successfully completed the requirements for a honors diploma, standard diploma, modified diploma, extended diploma or an alternate certificate may participate in graduation exercises.

Exceptions to this policy may be approved by the superintendent.
