Animals in District Facilities

Permission is to be obtained from the principal before animals are brought into the school.

Animals may not be transported on a school bus.

Animals must be adequately housed and cared for in secure cages. Only the teacher or students designated by the teacher are to handle the animals.

If animals are to be kept in the classroom on days when classes are not in session, arrangements must be made for their care.

Animals serving the disabled would be an exception to this policy.
