Orig. Code(s): KK

## **Visitors to District Facilities\*\***

The Board encourages parents and other citizens of the district to visit the school and classrooms at any time to observe the work of students, teachers and other employees. The Board believes there is no better way for the public to learn what the school is actually doing.

All visitors will report to the school office when entering and will receive authorization to visit elsewhere in the building. Visitors will need a school issued badge or button which identifies them as a visitor while on the school campus.

Any unauthorized person on school property will be reported to the principal. The person may be asked to leave. Police may be called if the situation warrants such measures.

Students will not be permitted to bring student visitors to school.
