Grants from Private Sources

Grant proposals for external funds from private sources, including online crowd funding sites, will be submitted to the Board for evaluation and approval. Any equipment, materials, supplies, etc., purchased and/or donated from the private sources become the property of the district, subject to all applicable district policies and procedures.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his or her judgment in approving it for submission. The superintendent will review the grant proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.
