**Field Trips and Excursions**

The Board recognizes the value of special activities in the total curriculum and agrees that students profit from carefully planned learning experiences.

Field trips and other student activities involving travel may be authorized by the superintendent or delegated representative when such trips or activities contribute to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration will be given to educational values derived and the safety and welfare of the students involved.

All travel outside a 200 mile radius of the school district, except athletic playoffs, must have prior Board approval.
