Community Use of District Facilities

It is the policy of the Board that school facilities shall be made available, under capable and responsible adult supervision, for community activities of an education, recreational or civic nature. The Board reserves the right to grant permission for building use and to deny all building use permits at its sole discretion. The use of school facilities for partisan, political or sectarian purposes may be granted with specific approval by the Board. The administration is authorized to cancel building use permits when it is apparent that such action is necessary for the best interests of the district.

The superintendent shall develop and maintain procedures and regulations governing the community use of district buildings and facilities.
