Visitors to District Facilities**

The Board encourages parents and/or guardians and other citizens of the district to visit the school and classrooms at any time to observe the work of students, teachers and other employees.

In order to assure that no unauthorized persons enter the school, all visitors will report to the school office when entering and will receive authorization to visit elsewhere in the building. In all cases, visitors' badges must be worn by nonstaff members, including substitute employees. Visitors' badges and "Destination sign-ins" will ensure the safety and maximize the learning opportunity for all district students. This policy does not apply to attendance at athletic events or music programs.

Any unauthorized person on school property will be reported to the principal. The person may be asked to leave. Police may be called if the situation warrants such measures.

Students will not be permitted to bring visitors to school without prior approval of the principal.

Prior arrangements must be made in the office to use cameras, video cameras and tape recorders, etc. on campus. These regulations will not usually apply to "outsiders" in attendance at athletic, musical and other public events.
