## Facilities Planning

Administration will gather and analyze appropriate data to evaluate the College's facilities needs on a long-range basis. Such data will include, but not be limited to, enrollment projections, anticipated changes in the instructional program, analysis of community building plans, analysis of sites and evaluation of present facilities. This plan will be in the form of a Facility Master Plan and will be updated when it is strategically necessary.

Administration shall prepare and present a capital plan (Facility Audit) documenting new construction, remodeling, maintenance, equipment and projects needed for College strategic needs. The plan shall be updated annually.
