Naming New Facilities

Schools (will) be named by location whenever possible. Schools may be named for individual persons who have been outstanding in educational endeavors or who have worked for better schools and educational programs in the community and/or in the state. Such persons must be retired from active participation in educational activities.

The Board may officially name a school or school facility on or before the bid is let for construction of the facility.

Names may be presented by petition, by chosen committees or by other representative groups in the area. The Board has the final decision in naming schools.
