Interscholastic Activities

Grades 7 and 8 interscholastic sports programs consist of boys' football and girls' volleyball during the fall, boys' and girls' track during the spring. During the winter, boys' wrestling and boys' and girls' basketball are also offered. The programs are designed to develop skills and abilities, coordination and appreciation for healthy competition. The program may be limited to competitive scope due to the district's ability to provide coaches, travel, equipment and other support factors.

The following sports programs are available to eligible students in grades 9-12.
