Promotion and Retention of Students**

The Union School District is dedicated to the total and continuous development of each student enrolled. The professional staff is expected to place students at the grade level best suited to them academically, socially and emotionally.

Students will normally progress annually from grade to grade. Exceptions may be made when, in the judgment of the professional staff, such exceptions are in the best educational interest of the students involved. Exceptions will always be made after prior notification and explanation to each student's parents, but the final decision shall be made jointly by the principal and the parents.

When parent and school affiliates cannot agree on the movement of a student to a higher level, the parents' request will be honored provided the parents release the district in writing from legal responsibility for the student's success in future educational efforts.
