Student Dress and Grooming**

The responsibility for dress and grooming of the student rests primarily with the student and his/her parents; however, the appropriateness of dress and grooming should be encouraged by staff members of this district. Accordingly, students shall be made aware that neatness and suitable dress and grooming have present educational value and may be beneficial for their future. Participation in class or class-related activities shall not be affected by the student's appearance except when that appearance does, in fact, disrupt the educational process or constitutes a threat to health or safety. Reasonable regulations governing the appearance of students participating in voluntary extracurricular activities shall be established by the staff member in charge of the activity and shall be communicated or made available to all students who choose to participate in such voluntary extracurricular activities.
