Visitors to District Facilities

To help protect students and district property and to prevent disruptive activity, district officials must know if any persons who are not members of the staff or student body are inside the building or on the grounds.

Visitors are permitted on district premises so long as their presence is for constructive, nondisruptive purposes and district officials are aware of their visit.

Visitors in the school buildings during a regular school day shall first report to the main office and arrange to conduct their business.

No individual may loiter in or about a school building or grounds. Loitering means not having any reason or relationship involving custody of or responsibility for a student, or upon inquiry, not having a specific, legitimate reason for being there.

Such unauthorized persons may be asked to leave. Law enforcement may be called if the situation warrants such measures.
