Code: **CB**
Adopted: 12/6/94
Readopted: 9/10/08
Orig. Code(s): CB

Superintendent

The chief executive, administrative and supervisory officer of the Board shall be the superintendent. To assist him/her, he/she shall have principals who are primarily responsible for curriculum development, but who will also assist the superintendent in other matters concerning the operation of the district.

The employment of a superintendent/clerk is a primary legal function of the Board.

To be eligible for appointment to the office of superintendent, a candidate shall have the necessary license as required by law; shall possess qualities of professional and civic leadership; shall be of good character and moral repute; shall have specialized training in educational and business administration of public schools, with at least a master's degree from an accredited institution of higher learning and shall have demonstrated by suitable experience that he/she is capable of leading a staff and community in a continuous program of school improvement.

The divisions of executive service which demand his/her attention shall include those of:

1. Instructional services including curriculum improvement;
2. Business, finance, records and auxiliary services;
3. Development, maintenance and operation of plant and equipment;
4. School interpretation including research and public relations.

Each division shall be so organized that it will aid instruction and facilitate learning.
