## Personal Use of District Equipment and Materials

The Board believes that district equipment is purchased by the taxpayers for the primary use to enhance students' educational programs. Equipment may be available to the district's community members and employees with permission of the building principal or department supervisor.

In all cases of public use, equipment shall not be used for private financial gain. In the event of excessive damage a fee will be determined according to repair or replacement cost. A per copy cost will be charged for use of duplicating equipment.
