Tobacco-Free Environment

It is the school's obligation to protect the health, welfare and safety of students. In light of scientific evidence that the use of tobacco is hazardous to health, and to be consistent with district curriculum and Oregon law, possession, use, distribution or sale of tobacco in any form on district premises, at school-sponsored activities is prohibited.

For the purpose of this policy "tobacco" is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette, and any other smoking product, spit tobacco, also known as smokeless, dip, chew, snuff, in any form.

Tobacco use distribution or sale by staff and all others is also prohibited in any building, facility, or vehicle owned, leased, rented or chartered by the district, school, or public charter school.

Clothing, bags, hats and other personal items used by staff and students to display, promote or advertise tobacco products are prohibited on district grounds, or in district vehicles. Tobacco advertising is prohibited in all school-sponsored publications and at all school-sponsored events. District acceptance of gifts or funds from the tobacco industry is similarly prohibited.

Violation of this policy will lead to appropriate disciplinary action up to and including expulsion for students. Community or school service may be required. A referral to law enforcement may be made. Parents will be notified of all violations involving their student and subsequent action taken by the school. Information about cessation support and/or tobacco education programs and how students can access these programs will be provided. At the discretion of the building principal, attendance and completion of such programs, or successful completion of a behavior modification plan, may be allowed as a substitute for, or as part of student discipline.

Violation of this policy by nonstudents may result in the individuals removal from district property. The district reserves the right to restrict access to district property by individuals who are repeat offenders.

The superintendent will develop administrative regulations as needed to implement this policy.
