

Athletic Ejection Policy

Any student athlete or coach that is ejected from an OSAA sanctioned activity for unsportsmanlike conduct and said ejection results in a fine to the district, the student/athlete or coach will become personally responsible for the payment of the fine as follows:

1. Each student athlete or coach will pay fines that increase in \$50 increments per ejection. (i.e: \$50 and one game suspension for first ejection, \$100 and two games for the second ejection, and \$150 and the remainder of the season for the third ejection.)
2. All fines must be paid to the district before the student athlete or coach will be eligible to participate in their next contest following the suspension in which they are eligible. This policy will carry over until all fines are paid.
