High School Classes/Courses for Eighth Graders

The district encourages students to perform at the highest level possible in their course work. Recognizing that some upper level elementary school age students are able to master existing high school curriculum, it is the policy of the district to allow eighth grade students, who are qualified, to take designated high school classes/courses. Credits taken before grade 9 will not be used to reduce below 22, the units of credit to be completed in grades 9 through 12 without approval of the superintendent.
