Student Insurance Program

Student accident insurance is made available to students through a district-approved carrier on an annual basis. This insurance, if purchased by the student, takes care of accidents in school, and to and from school, according to the limits of the policy.

Athletic Insurance

If an athlete has insurance coverage through a family plan, he/she must bring the policy to school for inspection by school officials to check for adequate coverage, amounts or have his/her parents sign a card indicating they feel coverage is adequate.
