

# Vale School District 84

Code: **JHFD**  
Adopted: 12/6/94  
Readopted: 9/10/08  
Orig. Code(s): JHFD

## Student Vehicle Use

All students who drive vehicles to school are subject to parking and driving rules developed by the district.

The district may require all students parking vehicles on district property on a regular basis to show evidence:

1. That the student driving the vehicle holds a valid driver's license;
2. That the vehicle is currently registered;
3. That the student driving is insured under a motor vehicle liability insurance policy or other satisfactory proof of compliance with the financial responsibility requirements of the state.

High school students may use the parking area south of the gym and the area along the east side of the sidewalk on Viking Street. The marked area west of the sidewalk is reserved for the faculty except for the first eight spaces south of the light pole where students may park. No cars may be parked along the sidewalk next to the school building during the day. Be sure to park cars according to the parking slot lines. In addition, please follow the directional areas to the entrance and exits, especially during evening activities. There will be a yellow line across the driveway by the boy's shower room. Students are not permitted to park on the west side of this line.

Motorcycles of all kinds should be parked on the street side of the parking island between the flagpole and the sign. This spot is reserved for motorcycles - please use it.

Maximum speed in the area between the sidewalk and the front of the building is 5 miles per hour. Students and teachers are asked not to back out or to drive in this area when the buses are loading or unloading. The flow of traffic in the front parking lot should be from north to south only.

Elementary students are not permitted to operate motorized vehicles on school property.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district. Parking privileges, including driving on district property, may be revoked by the building principal for violations of Board policies, administrative regulations or school rules.
