

The Valley School of Southern Oregon

Code: **EBAC**
Adopted: 6/08/15
Orig. Code(s): EBAC

Safety Committee

School Safety Committee will be established to help implement and monitor a district wide safety program. The district will comply with state and federal law regarding safety committees. The Committee's goal is to help ensure the health and safety of students, staff and others while on district property.

The Safety Committee will

1. Conduct periodic inspections of the school site to locate and identify possible safety and health hazards.
2. All significant safety or health related incidents will be investigated promptly to prevent similar incidents from recurring
3. Potential hazards will be reported immediately to the school director. The Occupational Safety and Health Act of 1970 gives employees and their representatives the right to file a complaint and request an OSHA inspection of their workplace if they believe there is a serious hazard or their employer is not following OSHA standards.
4. If the employee/committee member does not believe the issue has been adequately addressed he/she may complete and submit a Work Environment Concern Form and submit it to the Board.
