Staff Leadership in Decision Making

Staff is depended on to be school leaders as they participate in the school decision making process. Staff, along with administration and parent/guardian or community representation will form the site's School Improvement Team for development, review and implementation of a comprehensive Continuous Improvement Plan (CIP). The purpose of the School Improvement Team is to meet regularly and make data-based decisions regarding the direction and development of the school in order for the vision to be realized and the quality of teaching and learning to always be improving.
