

Child Find Efforts

Child Find efforts will include:

1. Public awareness
2. Notice of confidentiality. Before any major child find activity, The Valley School informs parents that confidentiality requirements apply to these activities. Circulation for this notice must be adequate to inform parents within the district's jurisdiction.
3. Staff awareness. The Valley School ensures that staff are knowledgeable of the characteristics of disabilities and the referral procedures for students, including preschool children, suspected of having disabilities.
4. Communication to parents. The Valley School staff shall inform parents about the availability of special education services in the district and provide them with information about initiating referral for special education evaluation, including the information about early intervention/early childhood special education services (EI/ECSE) and the designated referral and evaluation agencies with which the district collaborates.
