

The Valley School of Southern Oregon

Code: **JEA**
Adopted: 6/08/15
Orig. Code(s): JEA

Non-Custodial Relations

The school encourages parent and guardians to be involved in their student's school experience. Teachers are advised that unless otherwise ordered by the courts, an order of sole custody on the part of one parent does not deprive the other parent of certain education decision making rights. A noncustodial parent may receive and inspect the school records pertaining to his/her student and to consult with teachers concerning his/her student's welfare and education. Noncustodial parents will not, however, be granted access to their student during the school day. Staff members with questions regarding custodial and/or non custodial parent rights with respect to particular students should seek clarification from the school director.
