

The Valley School of Southern Oregon

Code: **JHCC**
Adopted: 6/08/15
Orig. Code(s): JHCC

Communicable Disease

A student with certain school restrictable diseases are not allowed to come to school while the disease is contagious. This restriction is removed by the written statement of the local health officer or a licensed physician stating that the disease is no longer communicable to others in the school setting. In those cases where a communicable disease is diagnosed and confirmed, and the student was thought to be at school while contagious, the district will inform the appropriate staff member to protect against the risk of exposure, as necessary.

END OF POLICY
