Code: **CBE/CBF**
Adopted: 2/10/00
Orig. Code(s): CBE/CBF

Superintendent's Continuing Professional Development and Consulting Activities

The Board expects the superintendent to keep informed of new and promising developments in the field of education by visiting other school systems and attending educational conferences, seminars, workshops and other professional meetings. The superintendent will inform the Board about meetings or visits which will cause him or her to be absent from the district and will report to the Board the results of such meetings and visits.

Out-of-state travel shall require prior approval by the Board.

The Board expects the superintendent to devote full attention and energy to the concerns of the district. The superintendent may not be engaged in any other employment nor in long-term consulting assignments. The Board, however, recognizes the superintendent's obligation to contribute to the profession of school administration and to the field of public education in general. This policy, therefore, does not prohibit the superintendent from undertaking occasional consulting work that does not conflict with obligations to the district. Any such task that requires the superintendent's absence for two or more consecutive working days must have prior approval of the Board.
