

Student Transportation Services

School transportation services will be provided for students to and from school and for transporting students to and from curricular and extracurricular activities sponsored by the district, and school-sponsored field trips that are extensions of classroom learning experiences. Transportation will be provided for homeless students to and from the student's school of origin¹ as required by the No Child Left Behind Act of 2001 (NCLBA). These services shall be provided throughout the regularly scheduled year and during the regular school day as determined by the Superintendent.

Students living within specified attendance boundaries shall receive transportation services to their respective schools. In addition, students, including those receiving special education, may be eligible for transportation for health or safety reasons.

Miles from school will be determined by the superintendent in accordance with OAR 581-023-0040 (1)(c).

Students attending any private, parochial or public charter school under the compulsory school attendance laws will, where the private, parochial or public charter school is along or near the bus route, be provided equally the riding privileges given to public school students.

A seat that fully supports each person and meets the minimum standards and specifications of law will be provided at all times. A person who weights 40 pounds or less must be property secured with a child safety system that meets the minimum standards and specifications established by the Department of Transportation under ORS 815.055. A person who weighs more than 40 pounds, who is four feet nine inches or shorter and under eight years of age must be properly secured with a child safety system that elevates the person so that a safety belt or safety harness properly fits the person². A person who is taller than four feet nine inches or eight years of age or older must be properly secured with a safety belt or harness that meets the requirements under ORS 815.055. In accordance with ORS 811.210 and 811.215 vehicles in excess of 10,000 pounds used for student transportation are exempt from statutory requirements unless they have been equipped with lap belts. Vehicles in excess of 10,000 pounds that have been equipped with lap belts must meet child car seat requirements as set forth in law.

School buses carrying students will be considered extensions of the school experience. All students using school transportation will abide by the code of conduct posted in each school bus. Violations of such code, as well as other conduct which is improper or which jeopardizes the safety of self or others, will be reported by the school bus driver to their supervisor. The transportation supervisor will, as soon as possible, inform the appropriate building principal of such occurrence. Violators may be denied use of

¹“School of origin” means the school that the student attended when permanently housed or the school in which the student was last enrolled.

²“Proper fit” means the lap belt of the safety belt or safety harness is positioned low across the thighs and the shoulder belt is positioned over the collarbone and away from the neck.

transportation for a period of time as deemed proper by the building principal and transportation supervisor.

The building principal or designee shall ensure transportation officials and drivers receive notification of students having special medical or behavioral protocols identified in student records.

Appropriate training related to specific protocols, including confidentiality requirements, will be provided to drivers.

The district will comply with all state and federal laws and regulations pertaining to school bus transportation.
