

# Vernonia School District 47J

Code: **GBEBC/JHCCC/EBBAA**  
Adopted: 6/12/08  
Orig. Code(s): GBEBC/JHCCC/EBBAA

## **Infection Control - HIV, AIDS, HBV**

The district shall use standard precautions at all times for infection control. Each person is therefore treated as though an HIV, AIDS or HBV<sup>1</sup> infection exists.

The district shall develop an Exposure Control Plan that includes infection control procedures for staff and students.

All staff should receive information as part of an annual in-service that includes correct procedures for cleaning up body fluid spills and for personal cleanup and personal hygiene, as well as the location and a content review of first-aid and clean-up kits. Kits shall be available for each room in the building and in each district vehicle. All staff who are required to provide first aid to students and/or who have occupational exposure as determined by the district shall receive training and an offer of immunization with Hepatitis B vaccine series in accordance with the requirements of law and the district's Exposure Control Plan.

In addition, staff and students will receive HIV, AIDS, HBV and bloodborne pathogens information on a regular basis. The information shall emphasize infections - how infection is spread as well as how it is not spread.

The district will cooperate with state and local agencies delivering HIV, AIDS and HBV education.

END OF POLICY
