Identification – Talented and Gifted Students**

In order to serve academically talented and intellectually gifted students in grades K-12, the district directs the superintendent to establish a written identification process. This process of identification shall include, as a minimum:

1. Use of research based best practices to identify talented and gifted students from under-represented populations such as ethnic minorities, students with disabilities, students who are culturally and/or linguistically diverse or economically disadvantaged.
2. Behavioral, learning and/or performance information.
3. A nationally standardized mental ability test for assistance in identifying intellectually gifted students.
4. A nationally standardized academic achievement test of reading or mathematics or a test of total English Language Arts/Literacy or total mathematics on the Smarter Balanced Assessment for assistance in identifying academically talented students.

Identified students shall score at or above the 97th percentile on one of these tests. Other student who demonstrate the potential to perform at the eligibility criteria, as well as additional students who are talented and gifted may be identified.

If a parent is dissatisfied with the identification process or placement of their student. They may appeal the decision through Board policy KL - Public Complaints. After exhausting the district's appeal procedure and receiving a final decision, a parent may appeal the decision to the State Superintendent of Public Instruction.
