**Superintendent's Contract**

The superintendent, upon appointment by the Board, will receive a written contract which will state the terms of appointment, compensation, benefits and other conditions of appointment, and will include requirements for renewal or termination of the contract. Contracts shall not be issued for more than three years at a time. The contract shall automatically expire at the end of its term. The Board may, however, elect to issue a subsequent contract for not more than an additional three years at any time.

The compensation and benefits for the position of superintendent will be fixed by the Board, based upon the responsibilities required of the superintendent in performing his/her duties. The Board may not enter into an employment contract that contains provisions that expressly obligates the district to compensate the superintendent for work that is not performed.

The district may provide health benefits for a superintendent that is no longer employed by the district until the superintendent:

1. Reaches 65 years of age; or
2. Finds new employment that provides health benefits.

For a period of one year after termination of the contract the superintendent may not:

1. Purchase property or surplus property owned by the district or public charter school; or
2. Use property owned by the district or public charter school in a manner other than the manner permitted for the general public

The contract will meet any requirements of state law and will be mutually acceptable to the Board and superintendent.
