Emergency Closures**

In case of hazardous or emergency conditions the superintendent may alter district and transportation schedules as are appropriate to the particular emergency. Such alterations include closure¹ of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students. Such closures may result in having to schedule additional days later to meet the minimum number of hours of instruction, as required by the state of Oregon.

The superintendent will develop and maintain such plans and procedures as are necessary to carry out alternate school and bus schedules.

Students, parents and staff will be informed at the beginning of each school year of the procedures which will be used to notify them in case of an emergency closure.
