Reduction in Force – Licensed Staff

When the Board determines that a reduction in force of staff is necessary, it will discuss that matter at a regular or special meeting of the Board and will consider such factors and alternatives it deems necessary to arrive at a decision. Reduction in force may take place under the following conditions:

1. The district's lack of funds to continue the district's education program at its anticipated level;
2. Elimination or adjustment of classes due to an administrative decision;
3. Other reasons as determined by the Board.

Nothing in this policy, however, is intended to interfere with the right of the district to discharge, remove or fail to renew to contract of a probationary teacher or to non extend the contract or dismiss a contract teacher pursuant to the provisions of the Accountability for Schools for the 21st Century Law.
