**Field Trips and Excursions**

The district recognizes the value of special activities in the total curriculum and agrees that students profit from carefully planned learning experiences.

Field trips and other student activities involving travel may be authorized by the superintendent or his/her delegated representative when such trips and/or activities contribute substantially to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration will be given the educational values to be derived and the safety and welfare of the students involved.

All field trips require prior parent/guardian permission and shall include itinerary, objectives and how the experience fits into the curriculum.

All out of state travel except historical sites along the southwest Washington coast must have prior Board approval.
