

Individual Board Member's Authority and Duties

All action by the Board of Directors, legislative or administrative, shall be by the Board as a unit. No individual Board member, by virtue of his/her office, shall exercise any administrative responsibility with respect to Willamette Education Service District. The consent to any particular measure obtained of individual members when the Board is not in session is not an act of the Board and is not binding upon the ESD.

An individual Board member exercises the authority and responsibility of his/her position when the Board is in legal session only.

A Board member has the authority to act in the name of the Board when authorized by a specific Board motion. The affirmative vote of the majority of members of the Board is required to transact any business. When authorized to act as the ESD's designated representative in collective bargaining, a Board member may make and accept proposals in bargaining subject to subsequent approval by the Board.

A Board member has the right to express personal opinions. When expressing such opinions in public, the Board member must clearly identify the opinions as his/her own.

Members will be knowledgeable of information requested through Board action, supplied by the Superintendent and gained through professional Board activities.

Members of the Board will adhere to the following in carrying out the responsibilities of membership:

1. Requests for Information

Any individual Board member who desires a copy of an existing written report or survey prepared by the administrative staff will make such a request to the Superintendent. A copy of the material may be made available to each member of the Board. Requests for the generation of reports or information which require additional expense to the ESD must be submitted to the Board for consideration.

2. Requests for Legal Opinions

A request for a legal opinion by a Board member, must be approved by a majority vote of the Board before the request is made to legal counsel. If the legal opinion sought involves the Superintendent's employment or performance, the request should be made to the Board chair. Legal counsel is responsible to the Board.

3. Action on Complaints or Requests Made to Board Members

When Board members receive complaints or requests for action from staff, students or members of the public, such information is to be conveyed to the Superintendent for action. If the complaint or request for action is against the Superintendent the complaint or request for action shall be made to the Board chair.

4. Board Member's Relationship to Administration

Individual Board members will be informed about the ESD's programs and services, may visit facilities to gain information and may request information from the Superintendent. Board members will not intervene in the administration of the ESD or its schools.

5. Contracts or Agreements

All contracts of the ESD must be approved by the Board, unless otherwise delegated by the Board to the superintendent or designee for approval, before an order can be drawn for payment. If a contract is made without authority of the Board, the individual making such contract shall be personally liable.
