Board of Directors/Superintendent Relationship

The Superintendent is the Board of Directors' chief executive officer and as such directs the execution of Board decisions and is authorized to implement procedures in order to effect the Board policies and direction.

The Board expects that the Superintendent is professionally able and possesses outstanding qualities of leadership, vision and administrative skill and that the Superintendent will implement all Board policies in good faith.

The Superintendent can expect the Board will respect the Superintendent's professional competence and extend to him/her full responsibility for implementation of Board policy decisions.

The Board holds the Superintendent responsible for carrying out its policies within established guidelines and for keeping the Board accurately informed about district operations.
