

Student Conduct on ESD-Operated Transportation

ESD-operated school buses carrying students will be considered extensions of the ESD school experience. All students using ESD transportation will abide by the code of conduct posted in each vehicle. Violations of the code of conduct, as well as other conduct which is improper or which jeopardizes the safety of self or others, will be reported by the vehicle driver to the transportation supervisor. The transportation supervisor will, as soon as possible, inform the appropriate program administrator of such occurrence. Violators may be denied use of transportation for a period of time as deemed proper by the administrator and/or transportation supervisor.

The vehicle driver will be responsible for the school vehicle at all times from departure until return. The driver will not participate in any activities that might impair his/her driving abilities.

The ESD will comply with all state and federal laws and regulations pertaining to school bus transportation. This policy does not pertain to student conduct in privately owned vehicles used for transporting students.

The following regulations will govern student conduct on school buses and will be posted in a conspicuous place in all buses and Type 10 School Activity Vehicles if used for transporting students from home to school, school to home and from district-sponsored activities:

1. Students being transported are under authority of the bus driver;
2. Fighting, wrestling or boisterous activity is prohibited on the bus;
3. Students will use the emergency door only in case of emergency;
4. Students will be on time for the bus, both morning and evening;
5. Students will not bring firearms, weapons or other potentially hazardous material on the bus;
6. Students will not bring animals, except approved service animals, on the bus;

10. Students will not extend their hands, arms or heads through bus windows;

11. Students will have written permission to leave the bus other than for home or school;
12. Students will converse in normal tones; loud or vulgar language is prohibited;
13. Students will not open or close windows without permission of the driver;

The Superintendent will establish other regulations as necessary for the safe conduct of students riding ESD school buses or other forms of ESD transportation and for disciplinary procedures. Such regulations will be available to all parents and students and posted in each school bus or other ESD vehicle.

Students who violate bus rules of conduct may be denied the use of transportation.
