Animals in ESD Facilities/Programs/Vehicles

The presence of animals in ESD facilities/ programs and in any ESD vehicle is prohibited.

Animals are not allowed in ESD facilities/programs/vehicles at any time unless specifically aligned with curriculum and/or instructional purposes.

When an animal is part of a lesson or program at a facility, the employee shall contact his/her supervisor to obtain permission prior to having the animal in the facility/program/vehicle. During such time, the animal must be accompanied by and under the direct supervision of the employee. If animals are to be kept in the facility/program on days when programs are not in session, arrangements must be made for their care.

The only exception to this policy applies to those certified service animals that meet the ADA requirements serving persons with a disability.
