

## **Appeal Procedure for Talented and Gifted Student Identification and Placement\*\***

The Board has established an appeals process for parents to utilize if they are dissatisfied with the identification process and/or placement of their student in the program for talented and gifted (TAG) students and wish to request reconsideration. The ESD's desire and intent is to reach satisfactory solutions during the informal process:

### **Informal Process**

1. The parents will contact the TAG coordinator/administrator to request reconsideration;
2. The TAG coordinator/administrator will confer with the parents and may include any additional appropriate persons (e.g., principal, counselor, teacher, etc.). At this time, information pertinent to the selection or placement will be shared;
3. If an agreement cannot be reached, the parents may initiate the Formal Process.

### **Formal Process**

1. Parents shall submit a written request for reconsideration of the identification/placement to the program supervisor;
2. The program supervisor shall acknowledge in writing the receipt of the request within five working days and shall forward copies of the request and acknowledgment to the TAG coordinator/administrator;
3. The program supervisor, TAG coordinator/administrator and other appropriate administrator shall review the student's file and earlier decisions within 10 working days of the original request. Additional data may be gathered to support or change the earlier decision;
4. Parents may be provided an opportunity to present additional evidence;
5. If deemed necessary, a formal hearing will be conducted by the hearings officer utilizing the appropriate procedures;
6. A decision will be made within 20 working days after receipt of the written request for reconsideration. The parents shall be notified of the decision in writing and the decision shall be forwarded to the Superintendent;
7. The decision may be appealed to the Board;
8. If the parents are still dissatisfied, an appeal to the Superintendent of Public Instruction following the procedures outlined in the Oregon Administrative Rules (OAR) may be used. The ESD shall provide a copy of the appropriate OAR upon request.
