Use of Feature Films/Videos**

The Board recognizes that showing of commercially produced and rated feature films and videos may have a legitimate purpose in the ESD's educational program. Since the content of these feature films/videos customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film/video is consistent with the instructional programs of the district.

Only films rated G, PG, or PG-13 may be shown as part of ESD program. Non-rated films or R rated films can only be used upon review and permission by administration. The Board directs ESD staff to follow the policies and administrative regulations of the component school district where the program resides.

All copyright laws regulating the use of such material will be strictly followed.
