Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, a modified diploma, extended diploma or alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by ESD administrators on the date approved by the Board.

The ESD's valedictorian(s), salutatorian(s) or others at the discretion of the principal or designee may be permitted to speak as part of the ESD's planned graduation program. All speeches will be reviewed and approved, in advance by the principal or designee.

All students in good standing who have successfully completed the requirements for a high school diploma, a modified diploma, certificate of completion or a certificate of attendance may participate in graduation exercises.
