

Sexual Harassment

The Board is committed to the elimination of sexual harassment in ESD schools and activities. Sexual harassment is strictly prohibited and shall not be tolerated. This includes sexual harassment of students or staff by other students, staff, board members, or third parties on or immediately adjacent to ESD property, at any ESD-sponsored activity, on any ESD-provided transportation or at any official ESD bus stop. "Third parties" include, but are not limited to, school volunteers, parents, school visitors, service contractors, or others engaged in ESD business, such as employees of businesses or organizations participating in cooperative work programs with the ESD and others not directly subject to ESD control at inter-district and intra-district athletic competitions or other school events. "ESD" includes ESD facilities, ESD premises, and non-ESD property if the student or staff member is at any ESD-sponsored, ESD-approved, or ESD-related activity or function, such as field trips or athletic events where students are under the jurisdiction of the ESD or where the staff member is engaged in ESD business.

Sexual harassment of students and staff members shall include, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature when:

1. The conduct or communication has the purpose or effect of demanding sexual favors in exchange for benefits;
2. Submission to or rejection of the conduct or communication is used as the basis for educational decisions affecting a student or employment or assignment of staff members;
3. The conduct or communication is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with a student's educational performance or with a staff member's ability to perform job responsibilities, or creates an intimidating, offensive, or hostile educational or working environment. Relevant factors to be considered will include, but not be limited to, did the individual view the environment as hostile; was it reasonable to view the environment as hostile; the nature of the conduct; how often the conduct occurred and how long it continued; age and sex of the complainant; whether the alleged harasser was in a position of power over the student or staff member subjected to the harassment; number of individuals involved; age of the alleged harasser; where the harassment occurred; and other incidents of sexual harassment at the school involving the same or other students, or staff members or third parties.

Examples of sexual harassment may include, but not be limited to: physical touching or graffiti of a sexual nature; displaying or distributing sexually explicit drawings, pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexuality in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity, or performance.

All complaints about behavior that may violate this policy shall be promptly investigated. Any students, staff members or third parties who has knowledge of conduct in violation of this policy or feels they are a victim of sexual harassment must immediately report their concerns to the building principal/coordinator, compliance officer, or Superintendent who has overall responsibility for all investigations. Students may also report concerns to a teacher, counselor, or school nurse who will promptly notify the appropriate ESD official. Sexual harassment complaints against the Superintendent shall be reported to the Board chair.

Upon receipt of a complaint by a student, student's parents, a staff member or third party alleging behavior that may violate this policy, the ESD shall provide written notice as required by Oregon Revised Statute (ORS) 342.704(4) to the complainant.

The student and/or the student's parents, the staff member or third party who initiated the complaint shall be notified that the investigation has been concluded as to whether a violation of this policy was found to have occurred to the extent allowable under state and federal confidentiality law.

The initiation of a complaint in good faith about behavior that may violate this policy may not adversely affect the educational assignments or educational environment of a student complainant, any terms or conditions of employment or work environment of the staff member complainant or any terms or conditions of employment or of work or educational environment of a third-party complainant. There shall be no retaliation by the ESD against any person who, in good faith, reports, files a complaint, or otherwise participates in an investigation or inquiry of sexual harassment.

It is the intent of the Board that appropriate corrective action will be taken by the ESD to stop the sexual harassment, prevent its recurrence, and address negative consequences. Students in violation of this policy shall be subject to discipline up to and including expulsion and/or counseling or sexual harassment awareness training, as appropriate. The age and maturity of the student(s) involved and other relevant factors will be considered in determining appropriate action. Staff members in violation of this policy shall be subject to discipline, up to and including dismissal and/or additional sexual harassment awareness training, as appropriate. Other individuals whose behavior is found to be in violation of this policy shall be subject to appropriate sanctions as determined and imposed by the Superintendent or the Board.

Additionally, the ESD may report individuals in violation of this policy to law enforcement officials. Licensed staff, staff registered with the Teacher Standards and Practices Commission (TSPC), and those participating in practicum programs, as specified by Oregon Administrative Rules, shall be reported to the TSPC or other licensing Boards as appropriate.

The Superintendent shall ensure appropriate periodic sexual harassment awareness training or information is provided to all supervisors, staff members and students and that annually the name, position, business phone number, address, or other necessary contact information of ESD officials responsible for accepting and managing sexual harassment complaints is readily available. The policy, as well as the complaint procedure, will be made available upon request to all students, parents of students, staff members and third parties, posted on the ESD website and in all student/parent and staff handbooks. The ESD's policy shall be posted on a sign in all school sites. Such posting shall be by a sign of at least 8.5 by 11 inches in size.

The Superintendent will establish a process of reporting incidents of sexual harassment.
