### **Public Notice**

The ESD will give annual public notice to parents of students in attendance and students 18 years of age or emancipated. The notice shall identify the types of information considered to be directory information and the ESD’s option to release such information and the requirement that the ESD must, by law, release secondary students’ names, addresses and telephone numbers to military recruiters and/or institutions of higher education, unless parents or eligible students request the ESD withhold this information. Such notice will be given prior to release of directory information.

## Exclusions

Exclusions from any or all directory categories named as directory information or release of information to military recruiters and/or institutions of higher education must be submitted in writing to the ESD by the parent, student 18 years of age, or emancipated student within 15 days of annual public notice. A parent or student 18 years of age or emancipated student may not opt out of directory information to prevent the ESD from disclosing or requiring a student to disclose their name or from requiring a student to disclose a student ID card or badge that exhibits information that has been properly designated directory information by the ESD in this policy.

Directory information shall be released only with superintendent approval. Directory information considered by the ESD to be detrimental will not be released (e.g. information regarding students in youth correctional facilities). Information will not be given over the telephone except in health and safety emergencies.

At no point will a student's Social Security Number or student identification number be considered directory information. In accordance with state law, the ESD shall not disclose personal information for the purpose of enforcement of federal immigration laws.
