

## **Public Participation in Board Meetings**

All Board meetings, with the exception of executive sessions, will be open to the public. The Board invites district citizens to attend Board meetings to become acquainted with the program and operation of the district. Members of the public also are encouraged to share their ideas and opinions with the Board when appropriate.

It is the intent of the Board to ensure communications with individuals with disabilities are as effective as communications with others. Individuals with hearing, vision or speech impairments will be given an equal opportunity to participate in Board meetings. Primary consideration will be given to requests of qualified individuals with disabilities in selecting appropriate auxiliary aids and services.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual.

All auxiliary aids and/or service requests must be made with appropriate advance notice. Should the Board demonstrate such requests would result in a fundamental alteration in the service, program or activity or in undue financial aid administrative burdens, alternative, equally effective means of communication will be used.

### **Audience**

During an open session of a Board meeting, members of the public are specifically invited to present concerns during the designated portion of the agenda. At the discretion of the chair, further public participation may be allowed.

### **Request for an Item on the Agenda**

A member of the public may request the superintendent place an item of concern on the agenda of a regular Board meeting. This request should be made in writing and presented to the superintendent for consideration at least 10 working days prior to the scheduled meeting.

### **Procedures for Public Participation in Meetings**

The Board will establish procedures for public participation in open meetings. The purpose of these procedures will be to inform the public how to effectively participate in Board meetings for the best interests of the individual, the district and the patrons. The information will be easily accessible and available to all patrons attending a public Board meeting.

Discussion or presentation concerning a published agenda item is limited to its designated place on the agenda, unless otherwise authorized by the chair.

A visitor speaking during the meeting may introduce a topic not on the published agenda. The Board, at its discretion, may require that a proposal, inquiry or request be submitted in writing, and reserves the right to refer the matter to the administration for action or for study.

Any person who is invited by the chair to speak to the Board at a meeting should state his or her name and residence and, if speaking for an organization, the name and identity of the organization. A group of people with a common purpose should designate a spokesman to speak for the group.

Statements by members of the public should be brief and concise. The chair may exercise discretion to establish a time limit on discussion or oral presentation by a visitor on any topic.

Questions asked by the public will, when possible, be answered immediately by the chair or referred to other Board members or staff members present for reply. Questions requiring investigation may, at the discretion of the chair, be referred to the superintendent for response at a later time.

At the discretion of the Board chair, anyone wishing to speak before the Board, either as an individual or as a member of a group, on any agenda item or other topic, may do so by providing the Board secretary with a completed registration card prior to the Board meeting in order to allow the chair to provide adequate time for each agenda item.

The Board chair should be alert to see that all visitors have been acknowledged and thanked for their presence and especially for any contributed comments on agenda issues. Similar courtesy should be extended to members of staff who have been in attendance. Their return for future meetings should be welcomed.

### **Petitions**

While petitions may be accepted at any meeting of the Board, no action will be taken in response to that petition before the next regular meeting. Petitions will be referred to the superintendent for consideration and recommendation of appropriate action.

### **Criticisms of Staff Members**

Speakers may offer objective criticism of district operations and programs, but the Board will not hear personal complaints concerning district personnel nor against any person connected with the school system. The chair will direct the visitors to the appropriate means for Board consideration and disposition of legitimate complaints involving individuals.
