Orig. Code(s): 6300

Management and Security of Buildings and Grounds

The Board encourages close cooperation with local police and fire authorities and insurance company personnel in planning and carrying out proper security measures to preserve and protect the district's investment in its physical plant.

The superintendent will develop and maintain plans and procedures necessary to assure the security of district properties and to provide for a continuing program of preventive maintenance designed to ensure that buildings are clean, safe and operated in an efficient manner. The principal, subject to the direction of the superintendent, will have overall responsibility for the maintenance and security of his/her building and grounds.

The superintendent will keep the Board informed about district properties and will make such other reports as the Board requests.
