

Early Entrance**

1. Parents may request and receive information and application forms for early entrance to kindergarten from the elementary office.
2. Parents shall return the completed application by May 1, or as reasonably close to that date as possible, to the elementary office. Parents new to the district shall submit the completed application by August 15.
3. A District Screening Team shall discuss the application and determine whether to advance the application for assessment.
4. Early entrance candidates shall be assessed prior to the beginning of the school year in the areas of cognitive development, social development, physical development and language development for children between the ages of 2 years and 5 years, 11 months.
5. If the child qualifies for early entrance the kindergarten teacher shall conduct a parent conference at the end of six weeks of school to review the progress.
