

Interdistrict Transfer of Resident Students**

The Board recognizes there may be circumstances that arise under the No Child Left Behind Act of 2001, when it is necessary to release a student who resides within the boundaries of the district to attend school in another district that agrees to accept the student. A student who resides within district boundaries may make a request to attend school in another district that agrees to accept the student. Interdistrict transfers of resident students for other purposes may be permitted, subject to criteria established by the district.

The superintendent will develop administrative regulations, as needed, to implement this policy.
