It is the policy of the Board to accept gifts and donations of funds, property, and time when they clearly support the programs and services of the district and are in keeping with district goals. Special gifts and donations shall be accepted that are designed to assist any staff member or student as may be appropriate. The superintendent shall provide for the implementation of this policy.

An individual or firm making a gift of money or materials to the district may designate, at the time of the gift, the use to which it may be put, but may not change or designate the use at some later date. Such gifts become the property of the district.
