The complexity of Board membership demands opportunities for development, study and training of its members. The Board places a high priority on the importance of a planned and continuing program of in-service education for its members.

In order for Board members to develop leadership capabilities, become informed about current issues in education and improve their skills as members of a policy-making body, Board members shall participate in opportunities for development that may include, but not be limited to, the following:

1. In-service activities planned by the Board and in-service planned by the administration for staff members, as appropriate;
2. Participation in conferences, workshops and conventions held by state and national school boards associations and other educational organizations;
3. Subscriptions to publications addressed to the concerns of Board members.
